The Varsity football team had a great season this year. They ended with an overall record of 7-2, with the 2 losses coming at the end of the season. The team was undeafeated at home and had a 17 game winning streak going until the loss at Mogollon. "Seven seniors took the lead and molded our team chemistry," commented Coach Fields. "We had many underclassmen that stepped in and contributed in many ways." The team displayed unity and loyalty throughout the season. The most memorable game was beating Orme for homecoming. The Wildcats thrashed the 4th ranked Orme team 60-38. Everyone played and the team did a great job. Way to go football team!

VOLLEYBAL

"The Lady Cat volleyball team was young and very inexperienced this year," stated Coach Mosier. The season was one of new scoring, new rules (let serves), and less official control over the first ball contact. The team finished the season with an overall record of 13-8. The most memorable game was beating Ganado at the Payson tournament. Going to State as the number 3 seed from the 1A North Region, the Lady Cats lost to Duncan in the first round of the tournament. Losing only one senior off the team, we look forward to great things next year.

The girls supported their teams by putting together goody bags, making posters, coloring locker signs, and working the JC wrestling tournament. They also planned and put together two great pep assemblies and performed at several games, including the boys basketball State Championship game.

The most memorable match was against Round Valley. Round Valley had a good team and the Wildcats had to give up 36 points on forfeits. However, the team came back with 7 pins to tie the match at 42 all. Andy Brennan took State for the 2nd year in a row. Blake Solomon placed 3rd at State.

My Dearest Son,

I can't begin to tell you how proud I am of you. The day you were born, is the day I'll never forget, I loved every thing about you. Your older brother James was always looking after you just like your older sister Belinda did. We all love you very much.

Now you are graduating from High School, I just can't believe it, and what makes me so proud is that you never gave up. Also the day that my grandbaby April came into this world was a day I'll never forget as you stood proud of knowing your daughter was coming into the world. When I see April I know she is a daddy's Girl, and she will always be proud to know that you are her daddy. You're a young man now. I will always in my heart love you. Follow your dreams Son, and always be the loving son you turned out to be, no matter where the road leads you.

Love Mom

Dwayne,

You've come so far in achieving your goals and dreams. Always follow your heart no matter what the road leads for you ahead. April and I will always be here for you. We are so proud of you.

Love,
